

A white Ramrod skid steer loader is shown from a side-rear perspective, parked on a green lawn. The machine has a black bucket attached to its front. The side of the loader features the 'RAMROD' logo in black and red, with 'BY THE WAY' written below it. Below the logo is a large, stylized 'RR' in black and red. The loader has a white body with black accents and a black bucket. The background is a blurred green field with trees in the distance.

RAMROD Means Performance - Better Go Places only RAMROD

Two Great Economical Estate Models To Serve You..

MODEL 500
Four Wheel Drive

MODEL 575
Track Drive

Two models of RAMROD "Hydraulic Self-Propelled" Mini Loaders deliver big performance in small places. Machines are driver-friendly, with an unobstructed view of all working conditions, with quick-learning time, and equipped with Self-Centering Controls which "Stop Dead" all drive, lift, or levelling movements when the operator's hands are removed from the controls. Machines are easily transported in a trailer or pick-up truck.

Choose The Model That Best Suits Your Requirements

RAMROD - 4WD - Electric Start - 4" Tires (30" Wide)

Give Yourself the Competitive Edge - Choose RAMROD

er Features - Economy - More Value RAMROD Mini Loaders Can!

Quick-On-Quick-Off Attachments

Change any of the versatile attachments in seconds reducing downtime and increasing productivity with the right tool.

Safe-Load Self-Levelling Loader

Prevents load "fall back" on operator at full height & eliminates the danger of losing a load during the raising and lowering process.

Superior Bucket Rollback and Dump Angle

20° Rollback Angle lets you easily fill and carry material in bucket. The 80° Dump Angle empties the load completely each time & prevents sticking to bucket.

Easy to Operate Single Hand Palm Steering

RAMROD Exclusive & Unique Single Handed Steering Control System makes this machine very user friendly.

More Features and Benefits to Enhance your Investment

Low Step Non-Slip Stand-On Platform

Safe & easy on /off slip resistant platform with side & rear protection.

Great Lift Height and Lift Capacity

4WD Model 500 Lifts 500 lbs (227 kg) and Track Model 575 lifts 575 lbs (262 kg). Loader lift height to hinge pin is 66" (1690 cm).

Narrow Width Models

Compact 30" Overall width of 4WD model gets machine into confined areas, elevators, doorways, and manoeuvres easily in obstructed areas.

Parts and Service Support - Warranty

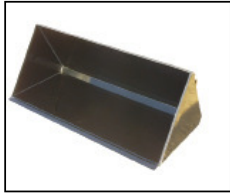

Same day processing of parts & service requests from worldwide network of dealers and by factory. 3 year structural warranty of machine frame & arms & 1 year on other manufacturers components.

Auxilliary Hydraulic Outlets (Optional)

Conveniently loaded for easy access on front of lift arms to power various attachments available.

Start Your Own Business With RAMROD Mini Loader and Easy to Use Quick-on, Quick-off Attachments

Material Bucket - 31"-36"-42"
